Job Title: Snow Removal Equipment Operator -or- Driver

- Skid steer
- Loader
- Ag Tractor
- Dump Truck

Position Type: Seasonal/Part-time, on-call

Reports to: Snow Operator Route Manager

Purpose: In the winter months Livingstone Landscaping offers a snow removal service to clients. Whenever it snows, we send out crews to clear parking lots and driveways with various different types of equipment; this role is completely weather-dependent and crews will only get called when it snows 1-inch or more.

This Seasonal/Part-Time position is great for anyone who is laid-off for the winter months, working part time, or working shift work and looking for some extra hours over the winter season.

Duties and Responsibilities:

- Answer call-ins on snow days
- Operate equipment safely to clear snow from driveways/parking lots OR haul snow away from sites
- Operate equipment/trucks in residential space with knowledge of surroundings (cars, pedestrians, homes)
- Perform pre-trip inspections and route paperwork
- Demonstrates a level of interest in successful job completion
- Maintains equipment and truck to standards
- Assists with completing pre/post trip successfully per shift
- Maintains good attendance
- Ability to successfully park trucks and equipment (*backing into parking spaces*)
- Demonstrates good communication and asks questions
- Strong team player attitude
- Shows great attention to detail and performing quality work

Qualifications:

- **Valid class 5F Drivers license for Operators**
- **Valid Class 3A Drivers license for Dump Truck**
- Proven experience operating any of the above equipment
- Ability to pass a practical test of equipment operation/ driving
